

# Tatler and Prime

## Central Locations

Situated in the heart of Queenstown, next to Lake Wakatipu, Tatler and Prime offer stunning views, ambience, service, wine lists and cuisine.

Tatler and Prime are forty metres apart and are an easy walk from the main hotels and key visitor destinations.

Our venues are ideal for hosting groups of 10 to 250. For dine-arounds, we can seat a total of 290 guests between the two restaurants.

In conjunction with neighbouring restaurants, Tatler can also host marquee events for up to 900 guests.

## Event Expertise

Our professional team of event managers, chefs, mixologists and wait staff have extensive experience in the function industry in New Zealand and overseas.

Our team is experienced at hosting gala dinners, weddings, awards nights, fashion shows and conferences.

## No venue hire fees

Instead of hire fees, we recommend a minimum spend depending on day of week and time of year. A set up fee may apply for certain types of event, but this will be waived when an agreed food and beverage spend is reached. Certain types of event, such as concerts, may also incur a security presence charge.

The chart below outlines each venue's capacity and minimum spend requirements.

Please note that this chart excludes certain dates, such as New Year's Eve and Winter Festival opening. Please enquire about the minimum spend for exclusive events on these dates.

At both Tatler and Prime we offer venue-only rental options as well as competitively-priced Day Delegate packages that include morning, afternoon tea and lunch catering. Day Delegate packages are priced from \$50 per person.

## Rugby and Special Interest

Our regional cuisine, local wine list, stylish decor and audio-visual facilities make Prime and Tatler the perfect venues to watch international sporting events or to host “slide evenings” for sporting, cultural or social groups. We have even developed a special beverage and menu package for rugby test matches.

## Gala Dinners

Prime’s stage, show lighting, data projector and sound system make it a popular choice for gala dinners. You can build your own menu from our innovative food and beverage packages or leave it to our experienced team of chefs and event managers to design the perfect menu.

## Weddings

The perfect wedding day needs the perfect reception and Prime and Tatler have hosted post-ceremony functions, large and small, for many happy brides and grooms.

We offer a wedding package that will take the stress out of the big day and we are happy to work with the bride and groom to devise exactly the right menu, theme and beverage options.

Prime and Tatler are also popular venues for engagement parties, rehearsal dinners and post-wedding barbecues.

## Flexible Food and Beverage Options

At Tatler and Prime we offer a variety of catering styles including casual barbecues, buffets, plated meals, canapes, finger food and degustation.

All functions at Tatler and Prime include the printing of individual menus that describe the food and beverage options from which guests are invited to choose. Your logo can be included if required. **All function menu options can be accessed from the hidden link [www.tatlerprime.co.nz/functionmenus](http://www.tatlerprime.co.nz/functionmenus)**

## Stand-up Functions

A cocktail party is a great way to offer hospitality in an informal setting at a price to suit even the most budget-conscious client. \$16.50 per person will provide three types of canapé served over the course of an hour. We also offer a “fork and walk” menu with more substantial dishes.

## Three-course Menu from \$59 pp

Our catering options suit a range of budgets with a two course menu starting at \$48. We are pleased to suggest menus featuring regional specialties and we also offer the flexibility of “mix-and-match” choices that allow clients to design the perfect menu for any event.

## Degustation

For a truly memorable dining experience, our chef has designed a degustation menu showcasing the finest of New Zealand food and wine. Our six-course degustation with matching wine tastes is \$150 pp, or \$102 without wine.

## Beverages

Beverages are an important part of a dinner function and we have designed a list of wines to complement the flavours of our cuisine - with a special focus on Central Otago wines.

While charging for beverages consumed is the fairest option for clients, many event managers request a beverage package. We offer standard and premium beverage packages priced from \$48 per person.

*Hé Jo, Thanks for being so easy & helpful to work with over the event - it makes such a difference! (as you'll be well aware.)*

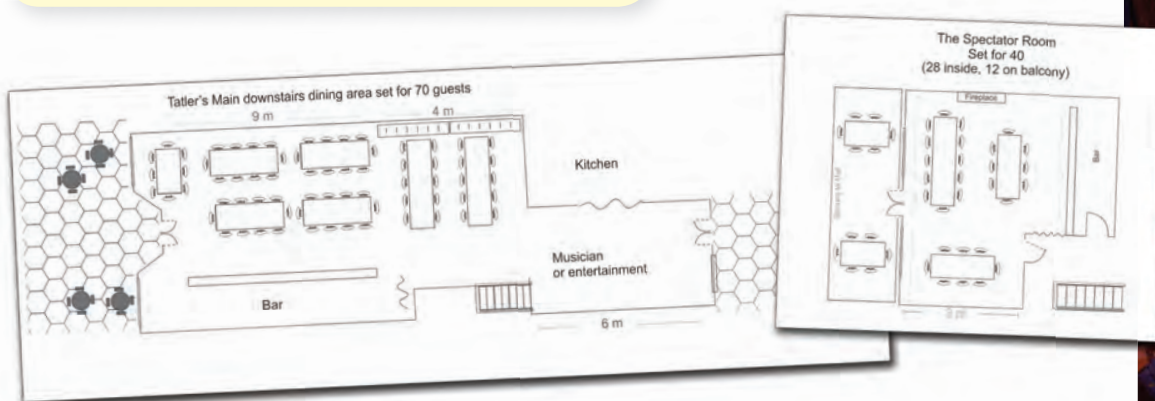

*Tatler was absolutely first class. Some of the best food and wine matches I have ever seen, elegant food and great service. Perhaps the best restaurant Pinot Noir Celebration lunch I have had.*

*Please pass on congratulations and sincere thanks to all the crew - we rely heavily on our restaurant partners to help ensure the success of the event and all the extra work and detail that goes into the planning really is noted and much appreciated. Kind regards, - Blair Walter, Felton Road Winemaker & Jacqui Murphy, Central Otago Pinot Noir Association*

*I just wanted to say thank you for all your assistance with our lunch on Saturday. We had a great time. The food was absolutely divine! I didn't hear anything but rave reviews about every course.*

*The room upstairs suited us perfectly, and the staff were wonderful - so friendly and helpful. Could you please pass on our thanks to them.*

# Marquee Events

In association with neighbouring Ballarat Trading Company, Tatler is pleased to offer an in-town venue solution for large groups.

Together we have developed a marquee option that accommodates 500 guests for cocktails and, with the addition of Winnies, above the Ballarat Trading Company, we can accommodate 900 guests.

*Ballarat Interior*

*Ballarat and Tatler exteriors*

*Tatler Interior*

Although Mall marquee functions are held throughout three separate venues, clients only need to deal with one event manager and can choose from one set of menus, one list of beverages and can even request just one invoice.

In May 2011, Tatler, Winnies and the Ballarat Trading Company hosted the farewell function for TRENZ, an annual tourism trade show that brings together international buyers and New Zealand tourism operators. May 2011 was the first time it has been held in the Southern Lakes region.

900 guests were invited to the farewell function in The Mall, which was planned and executed solely by our teams at Tatler, Winnies and the Ballarat Trading Co.

*Dear Jo, Mike and Mark,*

*Thank you so much for throwing such a great party at the close of TRENZ 2011!*

*We all had a great time and the feedback has been excellent. Thank you for all your work for this event.*

*Cheers, Lina and the TIA Events Team*

# Conferences and Meetings

Prime and Tatler are ideal venues for meetings and conferences, featuring views, ambience and facilities not found in many hotel function rooms.

Tatler's Spectator Room is an intimate and inviting space with an enclosed balcony for breakout.

Prime is a spacious, modern venue with a balcony suitable for breakout on fine days although heating and cover is available even on wet days.

Prime is located right next to the main Queenstown Pier so if your team-building exercise involves fishing, you're perfectly placed to enjoy your trout for lunch.

If your event requires the competitive element to be indoors, what about virtual sports with a Nintendo Wii?

At both Tatler and Prime we offer venue-only room hire options as well as competitively-priced Day Delegate packages that include morning, afternoon tea and lunch from \$50 pp.

Prime and Tatler are fully staffed and provide full on-site catering and bar service. Venue-hire and Day Delegate packages include use of data projectors and television (Sky by arrangement at Prime). Additional amenities are available on request.

**Full details of conference facilities and packages can be found at the hidden link [www.tatlerprime.co.nz/conference](http://www.tatlerprime.co.nz/conference)**

*Hi Jo, On behalf of the conference delegates and the organising committee I would like to thank you and your staff for an outstanding conference dinner last week. One delegate even thought it was the best conference dinner she had attended! I look forward to using Prime/Tatler for future conference functions in Queenstown.*

*Best Regards, Sally Boulton, Events4U*

*The services we received from the initial enquiry right through to post event was fantastic. It is such a pleasure to work with a professional team when you are showcasing Queenstown to international conference groups. We only wish that we could have a Jo Weir in all the destinations we work. Iconic Tatler always produces fantastic service. For a Dine-a-round evening, using Prime and Tatler is ideal - one person to work with on the event and with the close proximity of the restaurants it is really just a smooth process. Thanks for making part of my job a lot easier!*
